# Information Concerning the North Dakota High School Activities Association

## I. Membership

The North Dakota High School Activities Association is a voluntary non-profit organization of the high schools of the State of North Dakota. All 185 schools eligible for membership belong to the Association. Membership is granted upon application of the School Board, at which time the school agrees to enforce the rules which the members have established and to participate in the legislative processes of modification and revision of rules to fit changing needs of the member schools and students.

## II. Purposes

To unify the high schools of the state in the promotion of pure amateur sports, music and speech activities.

To standardize the eligibility rules and regulations under which interscholastic contests are held.

To provide the schools of the state with sound and adequate programs of extracurricular activities.

To promote the maintenance of standards which conform with the educational objectives of the schools.

To improve standards of play and to develop understanding of rules governing play.

To prevent the exploitation of the schools, the school activities, and the students enrolled therein.

## III. Brief History

The Activities Association was founded in 1908 under the name of the High School League and originally was concerned only with athletics. In 1923 the state organization became affiliated with the National Federation of High School Associations. A full-time executive director was employed in 1949, an assistant was added in 1963, a girl's sports supervisor in 1973, and a music and speech coordinator in 1978.

In 1950 the Consolidated League, an organization of the smaller schools of the state, affiliated with the High School League, thereby uniting all high schools of the state under one organization. Music and speech activities were placed under the direction of the Association in 1955, and the name was changed to the North Dakota High School Activities Association at that time.

Schools in the League were all one class for basketball competition from 1908 to 1932. A two-class system was used from 1933 to 1947 and three-class system from 1948 to 1963. In 1964 the two-class system was restored and this arrangement has been in effect since then up to the present time.

Official state champions have been named in track since 1908 and in basketball since 1914. Official champions in other sports were later added as follows: golf and tennis 1938; baseball 1950; wrestling 1959; cross-country 1961; hockey 1967; girls' track, golf and tennis 1966; girls' gymnastics 1969; girls' basketball 1974; boys' and girls' swimming 1974. State football championships were determined off and on between 1916 and 1959, when the practice was discontinued, but again restored in 1975. Basketball tournaments for girls were conducted by the Consolidated League for a number of years and by the NDHSAA from 1952 to 1960, at which time they were discontinued because of the small number of schools fielding teams. Girls' basketball was reinstated as an Association-sponsored activity in 1973 on a district level, with separate state Class A and Class B championships being named since 1974. Class A girls' volleyball state champions were first named in 1984 and Class B girls' volleyball state champions were first named in 1989. Boys' state soccer champions were first named in 1995 and girls' state soccer champions in 1996. Girls' state hockey champions were first named in 2003.

## V. Registration of Officials and Interpretation Meetings

More than 1,334 officials are registered with the North Dakota High School Activities Association. These men and women are furnished rule books for the sports in which they officiate, and examinations are provided annually in football, basketball, hockey, gymnastics, soccer, volleyball, and wrestling. Upon meeting certain prescribed standards, the members advance from "apprentice" officials, "registered" and finally to "certified" classifications.

During the past year, 60 rules interpretation meetings have been held throughout the state, and more than 5,000 individuals attended these meetings. Meetings were held for baseball, basketball, football, golf, gymnastics, hockey, soccer, swimming, track, volleyball and wrestling.

## VI. Cheerleader Clinics

The NDHSAA has recognized the importance of safety in cheerleading. Because of this, the Association has added rules/safety clinics for head cheer coaches of all member schools. These clinics recognize the importance of informing cheer coaches of proper safety techniques as well as emphasizing the responsibility of cheerleaders for sportsmanship and crowd control.

## VII. Video Service

The Association maintains a library of videos on sports and fine arts and are on file at the NDHSAA office and can be viewed by schools upon request.

## VIII. Organization of Association

**BOARD OF DIRECTORS** - The Board of Directors consists of 11 members, three of which are administrators of member Class A schools, four superintendents of Class B schools, one high school principal as a member-at-large, and one athletic director. These representatives are elected by the membership as a whole, with each school having one vote. In addition, a representative of the North Dakota Schools Boards Association and the Superintendent of Public Instruction serve as members of the Board.

**REPRESENTATIVE ASSEMBLY** - The superintendent or high school principal of each school serves as a member of the representative assembly, with each school being entitled to one vote. An annual meeting is held each year to adopt rules and regulations governing inter-school contests and eligibility regulations. All such rules are made by the representative assembly.

**DISTRICT COMMITTEES** - The district activities are controlled and managed by committees elected by school officials in each area.

**EXECUTIVE OFFICERS** - The administration of the various programs and the implementation of the policies of the Association are placed in the hands of an executive secretary and three assistants who are employed by the Association.

## SPORTSMANSHIP

Good sportsmanship is conduct which imposes a type of self-control involving honest rivalry, courteous relations and graceful acceptance of results. School spirit is a reflection of those attitudes and behavior. Spectator etiquette requires that we refrain from displaying any action to taunt the opponent's fan section such as carrying flags around the court and stopping to taunt the opponent's fan section. This may lead to competition among observers which is mistakenly under the auspice of good sportsmanship.

Spectators are asked to remain in their designated fan section.

Approaching the opponent's fan section with the purpose of taunting and baiting will not be tolerated. The carrying of flags around the court will not be allowed.

Good sportsmanship shall be defined as those qualities which are characterized by generosity and genuine concern for others. An awareness is expected of the impact of an individual's influence on the behavior of others. Good sportsmanship is viewed as a concrete measure of the understanding and commitment to fair play, ethical behavior and integrity.

## 1978 STATE CLASS A GIRLS TOURNAMENT

The fifth annual Class A Girls Basketball Tournament was played in Jamestown again and the field of teams included the two qualifiers from each of the four regions in the class A structure. Absent from this year's tournament, however, was three-time state champion, Williston, who had a 57-game winning streak stopped by Bottineau in the Northwest Region semi-finals.

The tournament manager was Jamestown High School athletic director Ron Luttschwager and the referees were: Del Gab, Manuel Joia, Jim Montgomery, Garry Pearson, Larry Rafferty, Maurice Railing, James Schieffer and Rudy Steidel. Executive Secretary of the North Dakota High School Activities Association was Frank Smith and Jamestown Superintendent Frank Fischer, was the NDHSAA President.

Langdon, under Coach Dennis Thronset, a qualifier in each of the four previous tourneys, came in with an 11 and 5 record and were one of the two representatives from the Northeast. The other Northeast qualifier was Coach Pat Sullivan's Grand Forks Central team - a winner of 14 of 17 games thus far. From the Southeast, Coach Dick Ryan brought the 13 and 4 Fargo Shanley Deacons into the state tourney while Fargo North, at 12-4, under Coach Mark Askerooth, would be the other Southeast representative.

Coached by Gary Mortenson, Bottineau survived the Northwest Tournament and would come to the state tourney with an 11 and 6 record. Also advancing from the Northwest would be the Minot Majettes under the direction of coach Bruce Anderson. Bismarck Century, coached by Norm Diuot

and carrying a record of 9 wins and 7 losses, qualified from the Southwest while Cindy Haught's Dickinson Midgets, owner of a 14 game winning streak and only 2 losses, completed the field.

A total of twelve points separated the winners from the losers in the tournament's first round as the teams seemed to cautiously survey their opponents. In the opener, tournament veteran, Langdon, led all the way in a narrow 43 to 40 win over Bismarck Century. All-stater, Lisa Beiers led the Cardinals in scoring while Kelly Owens and Judi Gartner with 11 apiece and Melinda Smith with 10 were Century's leaders. Minot overcame a three-quarter deficit of 31 to 34 and went on to nip Fargo North 46-45, in the afternoon's second game. Sandy Thor's pressure free throw with five seconds remaining was the margin of victory. Julie Eckman scored 20 points for the Majettes while Thor totaled 11. Sarah Luken with 11 points and Diane Worner with 10 led North.

Trailing by five points at the end of the third period, the Bottineau Stars outscored Fargo Shanley 12 to 4 in the last quarter as they advanced to the semi-finals with a 35 to 32 victory. The Stars All-Stater Sheri Christian, with 18 points, was the only player in double figures for either team. Carol Fisher led the Deacons with 9 points and Mary Jean Liffbrig had 7. Turnovers played a big role in the first day's final game as Dickinson committed only four in the first three quarters while Grand Forks Central suffered 18 in their 44 to 39 loss to the Midgets. Mary Herhusky led the Dickinson

scoring with 16 points while Sue Watrel had 8. Central's leaders were Donna Corcoran with 11 points and Mickey Young with 8.

In consolation play, Fargo North had a big 18-point last quarter coming from behind to defeat Bismarck Century by a score of 42 to 36. Mary Sweeney led the Spartans with 13 points while Diane Worner had 11 and Sarah Lucken 10. For the Patriots, Melinda Smith scored 13 points and Kelley Owen 10. The Shanley Deacons coasted to a 46-29 win over Grand Forks Central in the second consolation game as Mary Jean Liffrig with 12 points and Carol Fischer with 10 were the Deacon's leading scorers. Lisa Perault was Central's leader with 6 points.

In the semi-finals, Minot High survived the 31 points scored by Langdon's Lisa Beiers and their 23 turnovers to beat the Cardinals in overtime, 59 to 56. Sophomore Anita Novak led the Majettes with 20 points while Julie Eckman had 16 and Sandi Thor 10 points. Bottineau, with greater quickness, held Dickinson's Cindy Haught and Michelle Gab to just 9 points apiece as they downed the Midgets by a 43-37 margin. Sheri Christian with 15 and Deb Hahn with 14 points were the Stars' leaders.

Shanley won the consolation championship on Saturday afternoon as the Deacons opened up a 47 to 35 margin on their way to a final score of 51 to 44 over Fargo North. Sophomore Jane Obermiller led the Shanley scoring with 14 points while Laurie Worrier had 10. Diane Worner led North with 14 points and Lisa Schwartz had 10. Dickinson, with no

one in double figures, defeated Langdon by a 50-45 measure in the game for third place. The Midgets shot 48% from the field on 21 of 48 attempts. Lisa Beiers was the Cardinals leader again as she counted 21 points. Joyce Sauer had 11 for Langdon, who was 19 of 56 from the field (34%).

Bruce Anderson's Minot Majettes, with four starters between 5' 10" and 6' 2", became the 1978 Class A champion as they stopped Bottineau 36 to 29 in the state title game. Bottineau attempted to counter the Majettes' height advantage with a full court press and did cut the Minot lead from 11 points to 5 points with 2 minutes to go, but Minot held on. Minot was 12 for 29 (41%) in field goal attempts and the Stars were 13 for 32 (40%). The Majettes' scoring leaders were Sandy Thor with 15 points and Julie Eckman with 12. Bottineau's leaders were Sherri Christian with 12 points and Karen Knudson with 7.

The Majettes were an unlikely winner as they had dropped four of their last five regular season games. Their future looked good, however, as four of their top six players would be returning for the 1979 season.

During the 1980-81 season he served as a part-time assistant at Dickinson State and, in 1981-82, he took the boys' basketball assignment at Richardton. He served in that capacity for three seasons before coming to Bismarck where he served six years as an assistant coach for the Demons prior to taking the head job.

He coached the 1977 Napoleon girls' team in the state tournament. Miller's first Demons team finished second in the state in 1991 and Steve was selected as the North Dakota Class A Boys' Basketball Coach of the Year for those efforts. His 1992 BHS team won third place at the state tournament and his 1995 team was state runner-up. Millers Demons were West Region tournament champions in 1991, 1994, 1995, 1998, 2000, 2001, and 2003. His 1994 squad was crowned Western Dakota Association Champions. In 1996, his team took sixth at state, in 1997, third at state, 1998 and 2003, fourth at state, in 1999 region runner-up and fourth at state. In 2000 his team was W.D.A. In 2001, Coach Miller lead the Demons to title repeats as 2001 West Region Champions and 2001 State Class A Champions. In 2002, the Demons placed sixth at the state tournament. In 2003, the team finished fourth at state.

# 1954 STATE CLASS A BOYS' TOURNAMENT

The State Class A Basketball Tournament, throughout the 1950's, had a qualifying format that was much like the procedure that is used now. Four teams from each of two tournaments until they lost two games so the champions and runners-up, along with the third and fifth place teams, advanced to the state tournament.

The University of North Dakota Fieldhouse in Grand Forks would be hosting the State Class A High School Tournament for the third year in a row and Grand Forks Principal, Lawrence Hanson, would be the tournament manager. Four officials: H.R. Hoidal of Fargo, Orville Iwen, of Amenia, Sid Grande of Rugby and Earl Hoffman of Grand Forks worked the games. Earl Abrahamson was the North Dakota High School League Executive Secretary and Devils Lake Superintendent, F.H. Gilliland, was the organization's President.

In 1954, Bismarck High failed to qualify, so they would not be back to defend their 1953 title. St. Mary's of Bismarck, last year's runners-up did make it back for 1954, however, and they were joined by three other qualifiers from the West Region, Jamestown Bluejays, the Coyotes from Williston and the Minot High Magicians. Wahpeton, Valley City, Devils Lake and Grand Forks qualified from the East Region. Jim Hastings coached the Jamestown Bluejays, Cliff Hendrickson was the Williston coach, Art Hovde continued to direct the Minot Magicians, and Father Blaine Cook had the Bismarck St. Mary's Saints. Eastern Dakota coaches included Alan Adams at Wahpeton, Al Larvick at Valley City, Fritz Engel at Grand Forks Central and Roy Reslock at Devils Lake.

In the tournament opener, Valley City led all the way in upending Minot High by a 62-52 margin. The Hi-Liners built up a 7 point margin at the end of the first quarter and expanded it to quarter leads of 29-20 at the half and 48-34 at the end of three periods. Hib Hill, Valley City's 6-5 all-stater, led the scoring with 19 points and Julian Carlson followed with 16. Gary Cranston led Minot with 15 points, while Gene Anseth had 13 for the Magicians. Shooting statistics had Minot with 17 of 65 (26%) from the field and Valley City at 21 of 58% (36%). The Hi-Liners were 20 of 32 from the free throw line while the Magicians were 18 of 28.

A big third quarter, in which they stretched a 31 to 27 half-time margin to 54-32 at the end of three periods, put Williston in the semi-final round as the Coyotes defeated Grand Forks by a final margin of 61 to 48. Williston had a much better shooting night than Central as they were successful on 21 of 49 (43%) from the field while Grand Forks shot 26% on 17 of 65. The Coyotes had a poor night at the free throw line on

18 of 39 (46%) but had nineteen more attempts than Central. The Coyotes' big men, Bruce Haroldson and Slim Williams led their scoring with 22 and 20, respectively. Harold King and Gabe Kavadas led Grand Forks with 15 apiece.

Dean Sharp with 20 points and Duke Schneider with 17 led St. Mary's to a 72 to 50 win over Devils Lake in the evening's first game. The Saints pulled away from a 56-46 margin at the three-quarter mark as they out-pointed the Satans by 12 in the last period. Devils Lake had a poor shooting night as they scored on just 18 of 84 field attempts, while the Saints were successful on 27 of 74. Devils Lake had three players in double figures: Darrel Bye with 14, and Ladd Conrad and Orville Baker with 12 apiece.

In the third round's final game, Wahpeton took a 17 point half-time lead and expanded it to a margin of 26 in a 75-49 win over Jamestown. Harmon Krause with 25 points and Roger Gebhart with 23, paced Wahpeton while Morris Elhard with 18 and Ron Joslin with 12 paced the Blue-Jays. Wahpeton shot 30 of 77 (39%) from the field and 15 of 28 (54%) from the free throw line. The Jays were 32% from the field on 21 of 65 and were 17 of 36 (47%) from the free throw line.

In Friday's consolation play, Gabe Kavadas and Harold King each counted 22 points as Grand Forks led all the way in scoring a 53-48 win over the Magicians. Gary Holum led Minot's scoring with 21 points (13 of them on free throws) and he was the only Magician to score in double figures. Jamestown rallied from a ten point (44-34) margin at the end of the third quarter to out point Devils Lake 51-49. Ron Joslin with 20 points was the Blue Jays scoring leader while Alan Taylor led Devils Lake with 18 points. Ten years later (1964) Taylor would be back to coach Grafton High School to the 1964 title on this same court.

Valley City was successful on just 3 of 36 field goal attempts in the first half of their semi-final game with Williston. This kind of shooting left the Hi-Liners with a half-time deficit of 27 to 12 and not even their second half shooting turn-around of 46% on 15 of 32 was enough to beat the Coyotes. The Coyotes were able to maintain the lead throughout the game and advanced to the 1954 finals with a 48-47 victory. The Coyotes shot 17 of 52 (33%) for the game and were led in scoring, Larry Treider with 13 points Bruce Haroldson with 12, and Slim Williams with 10. Hib Hill scored 13 points and Danny McGee 12 for Valley City.

Leading by 39 to 31 at half-time, Wahpeton out-scored Bismarck St. Mary's 27 to 11 in the third period and took a commanding 24 point lead after three quarters. The Wops

moved into Saturday's finals with a final score of 78 to 61. Two Wahpeton players combined for 55 of the Wop's final totals as Harom Krause scored 29 on 8 field goals and 13 of 14 free throws and Roger Gebhart had 26. Dick Tschider scored 15 for St. Mary's and was the only Saint in double figures. Wahpeton made 27 of 67 (40%) field goal attempts and was 24 of 34 (70%) from the free throw line. The Saints made 22 of 62 (35%) from the field and 17 of 25 (68%) from the free throw line.

In Saturday's contest for consolation honors, Jamestown defeated Grand Forks 45 to 44 in overtime. Bill Soulis had 14 and Morris Ellhard 10 to lead the Bluejays while Gabe Kavadas's 13 points and Harold Kings 11 led Grand Forks. In a game who's lead changed hands four times, Valley City scored a 67 to 64 win over St. Mary's in the game for third place. Hib Hill came through with the 1954 tournament's biggest numbers as he counted 35 points for the Hi-Liners. Jerry Sowden added 12 points and Duane DeVries 11 to the Valley City point total. The Saints scoring leaders were Duke Schneider with 23, Dick Cieslak with 16 and Dean Sharp with 13.

Down 26-19 on 19% shooting in the first half, Wahpeton came back for a 50-48 win in the 1954 championship match against the Williston Coyotes. The Wops ended up with 19 of 63 (30%) for the game while Williston was 18 of 55 for (33%). The Coyotes were successful on 12 of 21 (57%) from the free throw line, while Wahpeton scored 12 of 15 (75%) from the line. Wahpeton's comeback was led by Gordon Amundson as they tied the score at 48-48 with 2:40 remaining. The Wops Harmon Krause, who was led to 5 points in the game, got a late basket and his 2 free throws with 2 seconds remaining clinched the Wahpeton championship. Roger Gebhart's 18 points led the Wop's scoring, while Slim Williams with 12 and Larry Treider with 10 points, were the Williston leaders.

Minot would stop Dickinson for the 1955 title and Grand Forks Central would stop Grafton in the 1956 championship game. Bismarck High, with legendary coach, Marshall Murdock at the reigns, would dominate the rest of the fifties as they finished the decade with three straight titles.

**1979 STATE CLASS A BOYS' TOURNAMENT**

Lance Wolfs Wahpeton Wops and the Minot Magicians of coach Terry Hjemstad took turns as the leaders of the 1978-79 State Class A Boys Basketball polls. Although both of them advanced to the 1979 state tourney, they had each suffered a loss in their respective regionals. Minot and Wahpeton had identical pre-state tournament records of 21 and 2 while coach Carl Wall's Fargo North Spartans were in at 19 and 5. The defending state champion Jamestown Bluejays of coach Jerry Meyer were in again with an 18 and 6 record and Dick Vinger's Grand Forks Central had also advanced with a mark of 17 and 5. The Williston Coyotes of coach Jim McPheson beat Minot in the northwest regional and carried a 16 and 7 record into the state tourney. Ken Keller's Dickinson Titans at 15 and 8 and the Bismarck High Demons (15-9) of coach Dwite Gorder made it through the southwest regional and completed the 1979 field of state tournament teams.

For the sixth year in a row, the Bison Field House, on the campus of North Dakota State University in Fargo, would be the scene of the Class A, and Fargo Public School Athletic Director, Harold Pedersen, would be the manager again. The officials for this year's tourney would be Howard Theige and Henry Milkey from Minot, Ted Uecker from Hettinger, Dallas Kopp and Richard Compton from Grand Forks, Dale Moug from Bismarck and Paul Gravel and Dave Heide from Fargo. Frank Smith was the NDHSAA Executive Secretary and the Association's President was Jamestown Superintendent, Frank Fischer.

Holding Fargo North's 6'9" center, Mike Wacker to 4 field goals in 5 attempts, Williston won the tournament opener with a 44-41 victory over North. Scott McPherson, with 24 points, scored over half of the points for his father's team. His four straight free throws in the final 56 seconds sealed the game for the Coyotes. Tracy Volney added 14 points to the Coyotes' total while Wacker with 11 and Steve Lemke with 10 points paced the Spartans.

In the second game of first round play, Bismarck High was limited to 32 shots and had 21 turnovers in losing a three-pointer to Jamestown's defending champions, 41-38. The Blue Jays, trailing 34-33 early in the fourth quarter, scored the next 5 points to pick up the victory. The big junior, Paul Anderson, scored all but 16 of Jamestown's points on 5 free throws and 10 of 15 field goals. Brent Lick, with 14 points, was the only Demon in double figures.

Dickinson Trinity shot a respectable 47 percent from the field but were over-shadowed by Wahpeton's spectacular 60 percent shooting. The Wops, with a front line averaging 6' 5" won the game, 77-60 and were led in scoring by Kerry Nelson's 20 points, Dennis Eastman's 17, Mike Randall's 16 and Steve Krause with 15 points off the bench. Kevin Wanner's 24 points, Dan Bahley's 12 and Mark Haskin's 10 points paced the Titans.

Minot High, shooting 54% and with just 8 turnovers, ran up a 17-point half-time advantage over Grand Forks Central and were never challenged in posting 79 to 43 victory in the final game of the tournament's quarterfinals. Steve Mundy led the Minot scoring with 26 points while Craig Tweten with 14 and Dennis Kunkel with 11 added to the Magicians total. Scott Montgomery had 16 and Jeff Wilson 12 points for Central.

Fargo North took the lead in the third quarter and posted a 50 to 40 win over Bismarck High in Friday's consolation play. Steve Lemke scored 22 points for North while John Oxtan added 11 and Mike Wacker 10 points to the Spartans' total. Brent Lick and Dave Munson were the Demon point leaders with 10 points each, a three point play by Grand Forks Central's Steve Conn in the last minute was the highlight of Central's 56-54 win over Dickinson Trinity in Fridays' other consolation game. Scott Montgomery scored 16 points for Central while Brad Burkholder added 12 and Steve Conn 10. Norm Heidt and Kevin Wanner each had 16 points and Dan Bahley had 14 for Trinity.

Jamestown pulled out a 42 to 41 victory over the Williston Coyotes in a game that found the lead changing hands 18 times, The Blue Jays took a 42-37 lead with 51 seconds on the clock but gave up 2 free throws to the Coyotes' Kurt Andre and 2 more to Tracy Volney and twice, in the last 25 seconds, Williston had the ball with a chance to go ahead. The Coyotes had just 31 field goal attempts and scored on 14 of them (41%) while Jamestown got off 51 attempts and were successful on 18 of them (35%). Paul Anderson with 23 and Warren Wahi with 10 were the Blue Jay scoring leaders. Scott McPherson with 13 points was the only Williston players in double figures.

Wahpeton rolled into the state championship game with a 70 to 54 win over Minot in the second semi-final. The Wops continued their torrid shooting in the win as they scored on 23 of 36 (64%) field goal attempts and were even tougher at the free throw line, with 24 of 27

attempts. George Swenson led the Wops scoring with 21 points while Dennis Eastman scored 18 and Steve Krause 16. Curt Tweton with 18 was the only Magician in double figures.

6' 9" Mike Wacker scored 23 points and gathered 14 rebounds in leading Fargo North to a 49-42 victory over Grand Forks Central in the tournament's fifth place game. John Oxtan and Jeff Debné, with 10 points apiece, added to the North total while Steve Conn with 16 and Brad Burkholder with 10 points were other Central leaders. Minot and Williston had played in three one pointers in the 1978-79 season with the Magicians winning both of the regular season games and Williston the title game in the Northwest Region. In their state tournament contest for third place, Minot survived a Williston rally to escape with a 58 to 53 victory, The Magicians' scoring leaders were Steve Mundy with 15, Dennis Kunkel with 14 and Craig Tweten with 10. Brent Tininenko scored 18 points for the Coyotes and was followed by Scott McPherson with 12.

Wahpeton continued their torrid shooting to win the 1979 State Class A Championship. The Wops added a 58% percent field goal shooting percentage in the finals to 61 and 64 percentages in their first two games of the tourney. The Wops built up a 45 to 27 lead over Jamestown in the fourth quarter and withstood a furious rally by Jamestown to prevail by a 47-43 margin. It was revenge for the Wops who were upset by the Blue Jays in the Southeast Regional finals and gave them a final season's record of 24 wins and 2 losses. 6' 1" Kerry Nelson scored 15 points for the Wops and was the only scorer in double figures for Wahpeton. Paul Anderson scored 21 points and Bob Gunderson added 10 for the Blue Jays

# NATIONAL HIGH SCHOOL OFFICIALS HALL OF FAME

## **DEL GAB**

While Del Gab has established himself as one of the top multi-sport officials in North Dakota history during the past 45 years, his contributions in the areas of recruitment, training, mentoring and promotion of officiating at the local, state and national levels have been equally impressive.

A native of South Dakota, Gab began his officiating career in 1957 in basketball with the South Dakota High School Activities Association. He moved to North Dakota in 1960 and worked boys' basketball until 1992. He also officiated girls basketball from 1973 to 1990. Gab's post-season assignments in basketball included 14 boys' district tournaments, eleven boys' and nine girls' regionals, and three girls' state tournaments.

Although he worked baseball and softball for a few years and was a track starter for nine years, football became his sport of choice. He began football officiating in 1971 and remains active today. He has officiated 43 first-round and quarterfinal games, 21 semifinals and nine championship games in North Dakota. He officiated the first eleven-man football championship game in North Dakota in 1976.

In addition to his high school assignments, Gab officiated college basketball from 1974 to 1992 and college football from 1975 to 1994, and for a final year in 1999.

More importantly than the games he has officiated, however, are the hundreds of new and younger officials who have benefited from Gab's leadership. He started the Rough Rider Officials Association mentoring program in 1973 and continues with that program today. He is a consultant for the North Dakota High School Association and assignor of officials for playoff games in southwest North Dakota. He has been an observer and evaluator of football and basketball officials for the past 25 years.

Gab was president of the North Dakota Officials Board for ten years and has served as state director for the NFHS Officials Association since 1984. He was an NFHS Officials Association board member from 1988 to 1993 and was president during the 1991-92 year. His most recent contribution to the NFHS has been his service as a member of the NFHS Official's Quarterly Publications Committee for seven years.

Gab earned his bachelor's degree from Northern State University in Aberdeen, South Dakota, and his master's and doctorate from the University of North Dakota in Grand Forks.

Among his awards, Gab has received an NFHS Officials Association Distinguished Service Award in 1995 and the NFHS Citation for Officials in 1997.

Still active as an insurance agent and football coach, Gab resides in Dickinson, North Dakota, with his wife Joyce.

## STATE BASKETBALL TOURNAMENTS CLASS A TOURNAMENT HISTORIES

It was the usual practice to have a drawing to determine first round state tournament opponents regardless of season records. The governor of the state or some other official conducted a drawing for the state tournament teams from 1914 to 1940. The teams were seeded into tournaments according to season records.

State tournaments were held over two days from 1914 to 1937. Games began on Friday morning at 10:00, and continued Friday afternoon and evening and Saturday morning, afternoon and evening. In the fall of 1937, the coaches also recommended a three-day tournament format instead of a two-day tournament. This plan went into effect the following year.

A challenge system developed in the Class A. Challenges from Class A schools lower in their divisions, and Class B schools, were allowed to challenge from 1933 till 1940. In some cases, schools played more than one challenge game in a season. The challenge had to be issued before December 31 each year. This was amended to January 21 in 1938. A team could withdraw the challenge by January 31.

**1914-1919: All high schools were eligible for a four team state tournament:** Four regional champions went to the state tournament. Approximately 20 teams played for the honor to enter into the state championship.

**1919:** Basketball was catching on. Four districts were firmly established: 36 teams played for the right to enter the state tournament.

**1920-1932: All high schools played in an eight team state tournament:**

**1920:** Eight regional champions went to the state tournament. A total of 48 high schools played basketball in the eight district tournaments.

**1925:** A total of 64 teams played for the right to participate in the state tournament.

**1928:** Sixteen sub-district tournaments were held, with playoffs between sub-districts within a district, for the right to play in the state tournament.

**1933: State A playoffs began: holding regional and state tournaments.**

There were 9 teams in Class A basketball. They were: Minot, Mandan, Jamestown, and Bismarck played in the west. Grand Forks, Devils Lake, Fargo, Wahpeton and Valley City played in the east. Enderlin challenged Valley City and won.

**1934:** Playing this year were Grand Forks, Minot, Jamestown, Bismarck, Valley City, Mandan, Devils Lake, and Fargo. There were three challenge games.

**1935:** Teams: Grafton, Fargo, Mandan, Valley City, Wahpeton, Minot, Devils Lake, and Bismarck. Five challenge games were played.

**1936:** Twelve largest Class A schools (those over 250 students) played in the state tournament. Park River (Walsh County), Wahpeton, Dickinson and Williston joined Class A ranks. The top seeded teams from the each region received first round byes. Teams included: Bismarck, Devils Lake, Dickinson, Fargo, Grand Forks, Grafton, Jamestown, Mandan, Minot, Valley City, Wahpeton, and Williston. Two challenge games were played.

**1937:** Coaches recommend reducing the state tournament to eight teams. Schools were drawn by lot to participate in the state A tournament. Again, teams lower ranked the Class A or Class B schools could challenge those eight teams that, by luck, were drawn for the state tournament. Some teams felt that the challenge system was nothing more than a qualifying game for the state tournament. A total of two challenge games were played.

**1938:** The eight largest teams in Class A ranks. A total of six challenges were played. Larger Class B schools could issue challenges, when and if they had won the opportunity to go to the state tournament. The smaller school at Hannah challenged Williston and won.

# 2004 STATE GIRLS' AND BOYS' BASKETBALL

**1939-1940:** The eight largest teams in Class A ranks. Osnabrock challenged Valley City and won. It was decided to designate a certain number of Class A schools as Class B. The teams would have to stay in that classification for two years.

**1941-1946:** An eight team tournament was established. Teams taking 1st, 2nd, 3rd, and 5th place from the East and West regionals would go to the state tournament.

**1944-1946:** An eight team state tournament was established. The state was divided into four districts.

Northwest; Minot, St. Mary's, Williston, Minot St. Leo's

Southwest; Bismarck, Dickinson, Mandan, Jamestown.

Northeast; Devils Lake, Grand Forks, Walsh County, Grafton

Southeast; Fargo, Sacred Heart, Wahpeton, Valley City

The top two teams from one division would play the lower two teams from the division. The winners advance to the state tournament.

**1947 to 1949:** Four-team state tournament held. The first and second place East and West Division teams played in the state tournament.

**1950-60:** Teams placing 1st, 2nd, 3rd, and 5th place in the regional tournaments qualified for state.

East Region: Grand Forks, Park River, Wahpeton, Shanley, Valley City, Grafton, Fargo, Devils Lake

West Region: Dickinson, Williston, St. Mary's, Jamestown, Rugby, Bismarck, Minot, Mandan

**1961 to 1963:** Southeast, Northeast and West Regions: Top two teams in SE and NE regions and top four teams from West region automatically qualify for the state tournament.

**1964 to 1980:** Class A was divided into four regions; each region qualified two teams for the state tournament.
