## 42 Club

The Fargo Public Schools Coaches Council is always seeking new ways to support our athletes in their high school careers and have come up with a way to celebrate the multisport athletes. Research has shown that students who are actively engaged in more than one sport are less likely to suffer from burnout, overuse injuries, and lack of enjoyment compared to the students who specialize in one sport. **The 42 Club** has been designed to honor those student-athletes that have competed in multiple sports each year of their high school career.

### **42 Club members will have:**

1. Participated in at least 2 sports programs for all 4 years of their high school careers
2. Ended all seasons in good standing.
3. Not received any violations during grades 9-12 (per FPS regulations)
4. Have been academically eligible during all seasons they participated in the sports.
5. And did not transfer from another school.

***Each high school in the Fargo Public Schools will have a banner with the names of the 42 Club members who graduated the previous school year in their gym.***

***Wireless access available!***
